OUR RICHMOND CORRESPONDENCE

Daughter of Ex-Mayor W. R. Mayo to Christen the Torpedo Boat.

MR. SAUNDERS FRIENDS

Say That He Has No Opposition For Speaker of the House of Delegates and They Do Not Fear Result—Hon. Henry T. Wickham Nominated in Hanover—Old Dominion Tournament and Fair Association.

(Special to Virginian-Pilot.)

Richmond, Va., Sept. 2.—Mr. W. R. Drigg, head of the Trigg Shipbuilding Company, who has just returned from Washington, to-day gave out the names of some of the young ladies selected to christen the torpedo boats now being built at his plant. The name of the sponsor for the Decatur has not yet been reported.

NORFOLK LADY HONORED.

The young lady who has been selected, however, is a daughter of Mr. Wyndham R. Mayo, of Norfolk, whose mother was a direct descendant of Commodore Decatur. The other young ladies chosen so far are as follows: "Miss Mary Thornton Davis, the 19-year-old daughter of Mr. Chas. Thornton Davis, of Boston, and a near relative of Captain Thornton, for whom the boat is named, has been selected to christen the Thornton.

Miss Virginia Stockton will break the bottle over the bow of the Stockton. The Dale will have as sponsor Miss Wilson, daughter of Mr. Joseph M. Wilson, of Philadelphia, and a great granddaughter of Commodore Dale.

The lady who will christen the Shu-brick has not been selected, nor has the date of the launching been determined upon. It will take place some time in October, however.

MR. SAUNDERS' FRIENDS SURPRISED.

A letter received here to-day from a gentleman in Franklin county conveys the following information:

"Hon. E. W. Saunders' friends are much surprised at the recent publication in a Virginia Democratic newspaper that he had serious opposition. This is without foundation, and being a member for twelve years, his people are more satisfied with him than ever before. They confidently expect him to be Speaker, and say that his absence from the Legislature would be a calamity to the Democratic party, and that the party would lose a leader in the Legislature, whose place would be hard to fill. Those who saw Mr. Saunders preside at the Roanoke convention will never fight his powers as a parliamentarian. It is not unfair to say that he is such a superior and few equals. The opposition to Saunders in this county will meet an overwhelming defeat."

A special from Hanover Courthouse to-day announces the re-nomination of Hon. Henry T. Wickham to the Senate. Mr. W. D. Cardwell was nominated for the House, and Mr. T. H. Edwards, of West Point, as Speaker of the House. Hanover and King William. All three are Martin men.

O. D. TOURNAMENT.

The headquarters of the Old Dominion Tournament and Fair Association were visited this morning by a number of knights from various parts of Virginia, who signified their purpose of riding in the tournament to be held here on the 11th of October. Up to date twenty-seven of the best-known knights in the State have entered for the contest and entries are being made daily.

Mr. D. A. Ainslie is now at work on the buggy to be given as the first prize and the horse to be given as the second prize will soon be placed on exhibition at a well-known stable in this city.

Letters which are being received daily at the office of the association indicate that much interest is being manifested in the event and that an unusually large crowd will be in attendance.

Mr. W. J. Carter, who is paying especial attention to the race program to be run on the second day, October 12th, is being overrun with entries and the four running races will be participated in by some of the fastest horses yet entered in this city.

A VISITOR.

Colonel John J. Garnett, of New York, director of the Southern Exposition, called at the Governor's office this morning. He wished delegates appointed from Virginia.

THE REVOLUTION.

ADHERENTS OF JIMINEZ EVERYWHERE IN CONTROL.

(By Telegraph to Virginian-Pilot.) Cape Haytien, Sept. 2.—All communication with the interior of Santo Domingo has been restored and order prevails everywhere except at Monte Christo, whose capitalization is expected to-day.

The cabinet of Santo Domingo will be formed on the arrival of Jiminez. It is thought probable that Terro Garcia will be appointed Minister of War and Maximiliano Grullon Minister of Finance.

STILL AWAITING JIMINEZ.

Sancti Spiritus, Cuba, Sept. 2.—Hector Vasquez, elected president by the chiefs of the revolution, informed the correspondent of the Associated Press to-day that a president had been chosen because public order necessitated a superior chief. General Vasquez said that he was ready to deliver the government to Jiminez when the people requested.

The leaders of the partisan revolutionary bands are everywhere in authority.

President Vasquez and the Minister of War, Ramon Caceres, have left for Santo Domingo city, with 500 horsemen.

The Georgia & Alabama Steamboat Company, which will engage in passenger and freight traffic between Savannah, Ga., and Wetumpka, Ala., has been chartered at Atlanta.

TOWN OF SUFFOLK

Town Council Reduces Telephone Taxes One Half.

Circuit May Now Show by Paying \$10 License Instead of \$50 as Heretofore—Two Robbers Taken Away—T. B. Price Nominated.

(Special to Virginian-Pilot.)

Suffolk, Va., Sept. 2.—After months of consideration and reconsideration the license tax on telephone, telegraph and express companies has been reduced from \$50 to \$10 a year. The Town Council did it last night at their regular September meeting.

They also did a good thing for circuit-riders. Their license tax was reduced from \$50 to \$10 a year.

OFFICERS' MONTHLY REPORT.

Mayor's fines for August, \$27; sergeant's collections, \$12; requisitions for Overseer of the Poor, \$5.25; market receipts, \$120.20.

It was reported that a new floor had been put on the City Hall balcony, and a door had been cut into the treasurer's office of the same building. The latter will be used by Town Treasurer Lotzlin. Street traps at the postoffice and on Kilby street were reported in bad condition. Referred to Messrs. Harrell, Ferguson and Holladay, with power to act.

The treasurer's annual report was referred to the Finance Committee, who were authorized to employ an accountant to check up the report.

THE COUNTY'S PART.

The Health Committee reported that the County Supervisors had paid to the town \$79.20. That was the county's share of the patrol tug's expense.

The Committee on Cemeteries reported that the Dale will have as sponsor Miss Wilson, daughter of Mr. Joseph M. Wilson, of Philadelphia, and a great granddaughter of Commodore Dale.

The lady who will christen the Shu-brick has not been selected, nor has the date of the launching been determined upon. It will take place some time in October, however.

POLICEMAN RESIGNS.

Police Officer Brutus L. Skinner offered his resignation. It was accepted. He has taken a position at the Commercial Hotel.

Applications to fill the vacancy were made by J. E. Franklin, F. C. Pierce and T. T. Barden. It was decided not to choose Skinner's successor at present.

THE FINANCE COMMITTEE.

It was ordered that the hose cart driver flush water pipes twice a week from May to October inclusive, and once a week the rest of the year. The order is effective at once.

THE BILL OF SMITH & WRIGHT.

The bill of Smith & Wright, previously turned down, was referred to Messrs. Ferguson and Holladay, who were authorized to have a conference looking to a compromise.

THREE YOUNG DEFENDANTS.

Mr. W. B. Duke, a telegraph operator, preferred to see his three little boys go to jail than whip them in court. That was why Sergeant Ames started to lock up Barrett, Stancie and Jimmie Duke this morning. A friend went security for the \$4.70 levy, and the little boys were allowed to go. They run in ages from 6 to 10 years.

The boys were taxed \$2 and costs in the aggregate. They were charged with throwing pieces of iron and bricks at R. G. Scott's children, and with using improper language. When the fine was imposed Mr. Duke was offered the option of administering a chastisement to the children in court. He refused. It is understood he would have agreed to whip the boys at home.

MR. J. P. COWLING, AGRICULTURAL CORRESPONDENT.

Mr. J. P. Cowling, agricultural correspondent, has received from the Department at Washington a copy of the following item, which will interest farmers:

"The Seed Laboratory will be glad to test the seeds not only of crimson clover, but of all grasses and forage plants, and farmers are urged to send in samples of all seeds they use. A report will be returned promptly and the farmer will then know what he is planting."

TWO ROBBERIES TAKEN AWAY.

John Williams and Henry Gregory, colored, were to-day taken to South Boston, Va., where they will be held to answer the charge of robbing R. A. Penick & Son's hardware store. E. M. Penick, of the firm, came here to-day and identified the stolen goods. The knives taken from five suspects were taken this week at Kilby Station. Penick had been appointed a deputy sheriff by Sheriff T. H. Jordan. The other three men will likely be turned loose.

PRICE NOMINATED.

At a meeting of Brunswick county Democrats, held at Lawrenceville to-day, T. B. Price was nominated by acclamation for the Lower House.
